

**Villain Name:**

Aequoreus
-----------

  
**Alias:**

Marcus Flucinius Marinis Aequoreus
------------------------------------

**Approach:**

Generalist
------------

  
**Archetype:**

Titan
-------

  
**Upgrade:**

--

**Health**

40
----

**Description:**

A man of eastern and Roman stock, Aequoreus started life as a slave and then was freed. He served an emperor and is gripped by idealism which shows in his expression. His water powers allow him to shape water, create watery minions, summon storms, and make himself into a towering colossus of water.
--

  
**Current Health**

--

Powers		Qualities		Status (Not in Titan Form)	
Agility	d6	Close Combat	d10	Green	d6
Swimming	d8	Conviction	d8	Yellow	d8
Water Control	d10	Political Insider	d6	Red	d10
Weather	d8	Self-Discipline	d8		

**Relationships**  
Aequoreus was raised up by Emperor Licinius and given purpose. When Licinius fell to his rival Constantine, Aequoreus swore revenge and he wants to make Constantine and his followers pay.

Type	Name	Game Text
A	Heavy Hitter	Attack using Water Control. Use your Max die. Recover Health equal to your Min die.
A	Swarm Attack	Attack using Water Control and use your Max die, with a bonus equal to the number of minions you control.
A	God of Water	Take a basic action using Water Control. Halve current damage, then switch to your Titan form.

**Titan Form**

Aequoreus pulls water from a nearby source to make a massive form several hundred feet tall.
--

		Powers					
Health	55	Current Health		Water Control	d8	Smash	d10
				Armor	d8	Drown	d8

In Titan form, Aequoreus has to concentrate. He can still control water but can't use Sonic or Weather powers.

**Status**

--

--

 Expose a vulnerable part of the Aequoreus's form and reduce his status by one die size.  
**d12**

--

 Take advantage of the exposed weakness to reduce Aequoreus's status die by one die size.

A	Crush All Underfoot	Attack using Smash against multiple targets. Hinder those targets with your Min die.
I	You Are But Gnats to Me	Reduce all damage taken by 6 (if you have a d12 status die), 4 (if you have a d10 status die), or 2 (if you have a d8 or lower status die).
A	The Land Quakes Underfoot	Activate one of the environment's twists in its current zone.
R	Retributive Wave	When Attacked, use twice the amount of damage taken by the Attack to Boost yourself. Then lose your Titan form.

When Aequoreus in Titan form is reduced to 0 hit points, he collapses and his form spills everywhere possibly causing a flooding challenge.

**Water Elemental Brute****d6***Description*

A hulking, bear-like creature made of water. In its mouth are broken river stones for teeth.

*Ability*

**Heavy Hitter:** When Hinder a hero or Attacking a hero with a penalty, roll their die twice and use the higher result.

*Tactics*

Aequoreus uses these minions to take out targets he has softened up with Hinder or to support his legionaires.

**Water Elemental Legionaire****d10***Description*

Figures like Roman legions made entirely of water. Their weaponry is crackling lightning.

*Ability*

**Hold the Line:** Any nearby allied minions gain a +1 to their save rolls and Attack rolls.

*Special*

These soldiers fight well in groups, like the Roman soldiers Aequoreus is used to serving with.
